INVITES TO

# 53<sup>rd</sup> INTERNATIONAL FOUNDRY CONFERENCE PORTOROŽ 2013

WITH ACCOMPANYING EXHIBITION

11<sup>th</sup> – 13<sup>th</sup> September 2013

## Invitation to foundry conference and exhibition

The International Foundry Conference organised in Portorož/Slovenija every year is one of the most traditional conferences in Europe. Foundry engineering and technology with a large input of knowledge and stronger information technology support are nowadays one of the main production industry of differentiated components and even of more advanced ones. Global market seeks and demands a high rate of competitiveness of the most powerful foundry processes. A market flexibility control of complex procedures and cost reduction are the requirements that unconditionally assume high rate of knowledge, experiences and innovations. Development and by it industry livelihood cannot be feasible without interconnection between universities, scientific and research institutes and applications. For the foundry products the requirements for different stages of final processing must be imperative in order to provide largely existence of foundries. Participation of scientists and experts from numerous esteemed universities and institutes, as well as experts of economy is significant for the foundry conference in Portorož as all of them with their papers and presentations give a support to conference high standing. Accompanying exhibition of technical achievements in the foundry industry will be also organised in this 2013 year and it will make it more interesting for all of those interconnected within a large foundry community.

Motto of this year Conference shall be:  
»**SCIENCE, KNOWLEDGE  
AND TECHNOLOGY**«

The Foundry Conference shall be organised under the following framework programme:

### On 11th September, 2013:

- 16.00-19.30 Registration of participants at the conference registration desk
- 18.00 Reception at the Municipality of Piran

### On 12th September, 2013

- 8.00 Registration of participants at the conference registration desk
